Description

Monterey's 328 Super Sport is a refined open bow family boat that provides all the amenities you need for a day on the water with the family.

This boat has upgraded electronics, including plotter MFD, radar, VHF, as well as upgraded stereo and speakers throughout.

The boat has new SeaDek flooring, and the upholstery shows VERY well.

The port side cabin provides room to get out of the sun, or to store the water toys for the kids. The separate head on the starboard side isolates the head from the cabin for convenience and privacy.

The Bravo III stern drives, with the included Axis (joy-stick) piloting makes docking the boat a breeze, and the trim tabs, combined with the duo-prop Bravos provide a fantastic ride in all water and load conditions.

The boat has been well maintained, and has a total of 500 hours.
