Description

2001 Scorpion 32 CC - Very Clean

The Scorpion CC is one of the staples of the S. Florida powerboat scene, combining performance with function, and nice attention to details.

This 250XS boat is fast, at well in excess of 70 mph, with the triple Mercury Racing 2-stroke outboard power.

The dash features blue carbon, with Mercury SmartCraft instrumentation.

Garmin display, stereo head unit, and VHF radio complete the helm station.

Beautifully appointed upholstery, and matching SeaDek flooring give the boat a stylish look, and the forward cuddy cabin provides a place for the kids to get out of the sun.

The boat is located at the Haulover Marine Center for easy showing.
